## THERAPY DOG PREPARTION CLASS

Therapy dogs give comfort and joy to many people. It is the purpose of this class to introduce the students and dogs, with simulated conditions, to things they may encounter in nursing homes, hospitals, and other places where therapy dogs can be of service.

1. This is a five week course designed to help you and your dog prepare for taking a test to be a therapy dog.
2. There is no age restriction for the handler, however, if you are under 18 years old, you must be accompanied by an adult for this class and when you do therapy dog visits.
3. The dog that you will be training for therapy visits must be at least one year old and have at least 20 weeks of basic obedience training at Animal Inn (ex. 10 weeks of beginner obedience and 10 weeks of intermediate, not puppy kindergarten), or approval of instructor. It should be able to perform basic obedience exercises including: heeling, sit and down stay, recalls and understand what "No" means.
4. If your dog is aggressive toward other dogs or people, or extremely shy this may not be the class for you. Not all dogs are suitable to be therapy dogs.
5. Your dog does not need to be registered or purebred to be a therapy dog.
6. Therapy dogs are healthy and well-groomed.
7. Your dog will practice performing the exercises required for taking a therapy dog test. These include:
  - accepting a friendly stranger
  - sitting politely for petting
  - walking on a loose lead
  - walking through a crowd
  - sit and down on command and staying in place
  - coming when called
  - reacting to another dog
  - reacting to distractions
  - supervised separation
  - greeting a stranger

We will schedule a Therapy Dog International test by a qualified tester following this five week session. It will take place on a weekend as a one-hour time slot is not enough time to test all of the dogs. You will not be required to take the test at that time if you do not feel that you and your dog are ready. There is a fee for taking the therapy dog test which is not included in the cost for the class.

**This class is not sanctioned by any therapy dog registry.**

**Advance Registration Required. Send Application and \$30.00 non-refundable deposit to:
